Art Unit: 1711

All previous rejections are hereby withdrawn.

Claim 17 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The terms "derivatives" and "analog" are unclear since it is subjective as to what materials may be viewed as derivatives or analogs of another material.

This Office action is not being made FINAL.
